The contributions of good, dedicated teachers to the learning experience, and to all areas of education cannot be overstated. We, as students, wish to take this opportunity to say thank you to the faculty, administration, and staff of Millikin for their help in our pursuit of academic endeavors.

Thank you for the after class explanations, the quick conferences in the hall, the extra time and work beyond class, and the willingness, not only to understand, but to help. We appreciate it.

football

Congratulations are due to first year Head Coach Merle Chapman and his Big Blue squad. After being picked sixth in a pre-season poll, the Big Blue surprised everyone but themselves by finishing in a first place tie with Illinois Wesleyan in the CCIW with a 6-2 conference record. The Blue conquered their opponents with a rugged defense anchored by all-conference performers Chan Bell, Hank Denecke, and John Heinzman, and a wide-open offense riding on the arm of QB Bob Lockart. Never afraid to throw, Lockart set a state record for passing attempts in Millikin's final game against Franklin. Coach Chapman will be looking to next year with MVP Lockart back as co-captain along with middle linebacker Bob Hemmer and a strong Big Blue team.

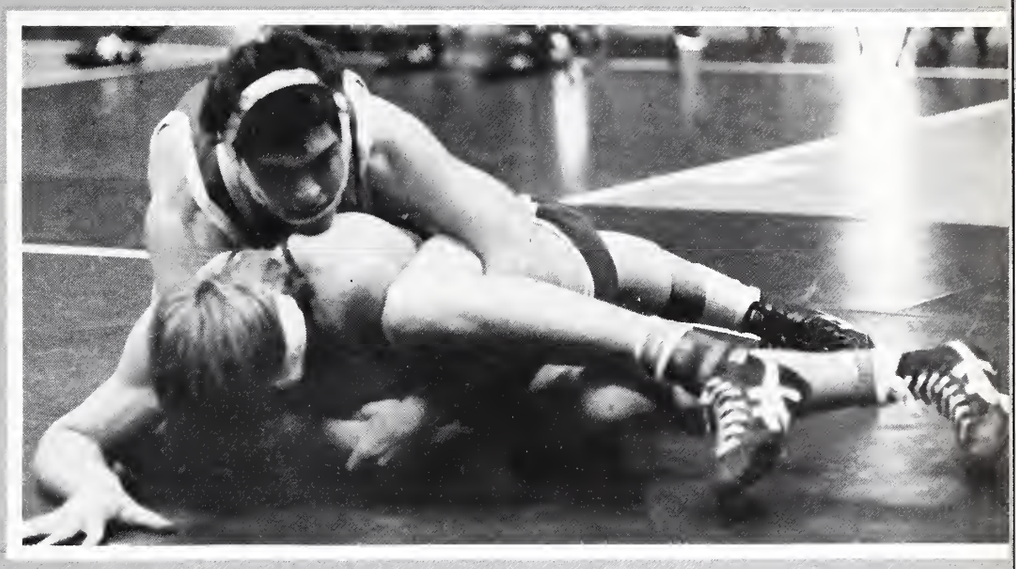
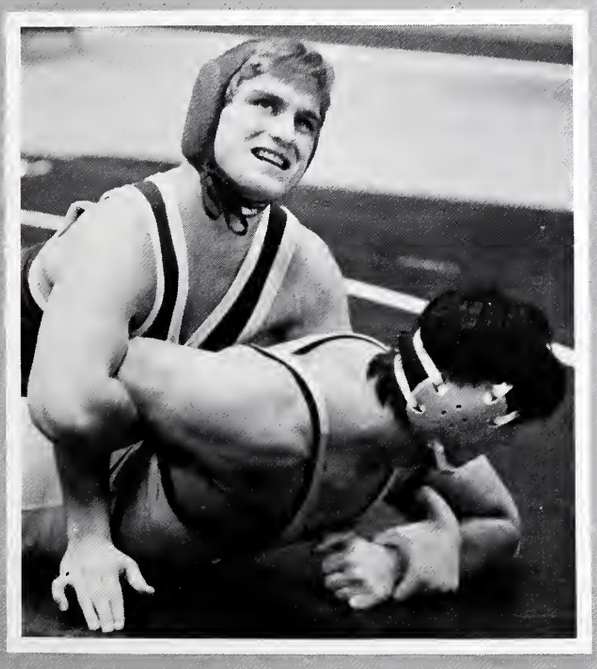
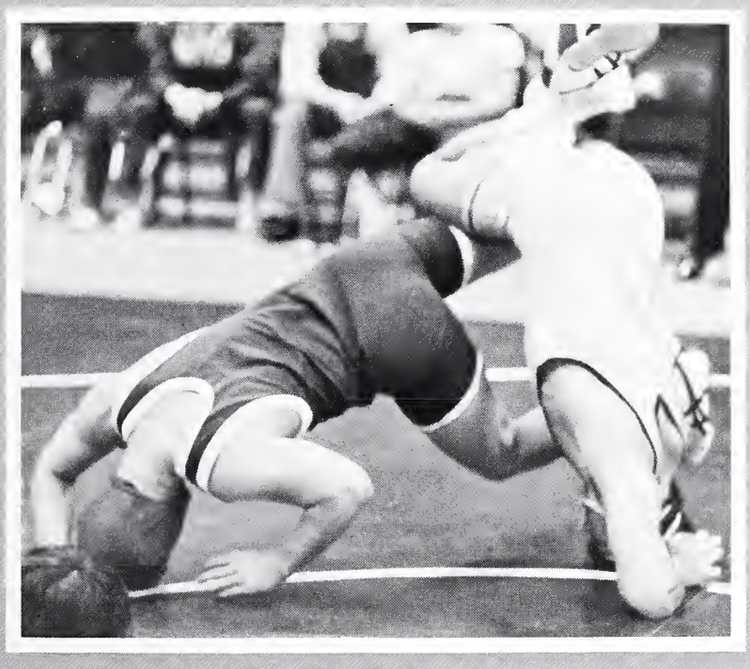
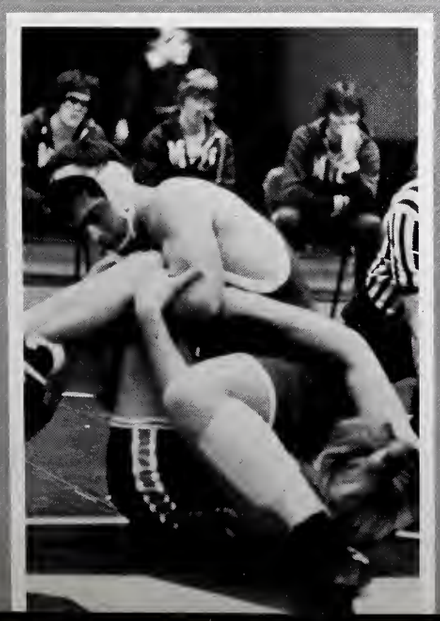
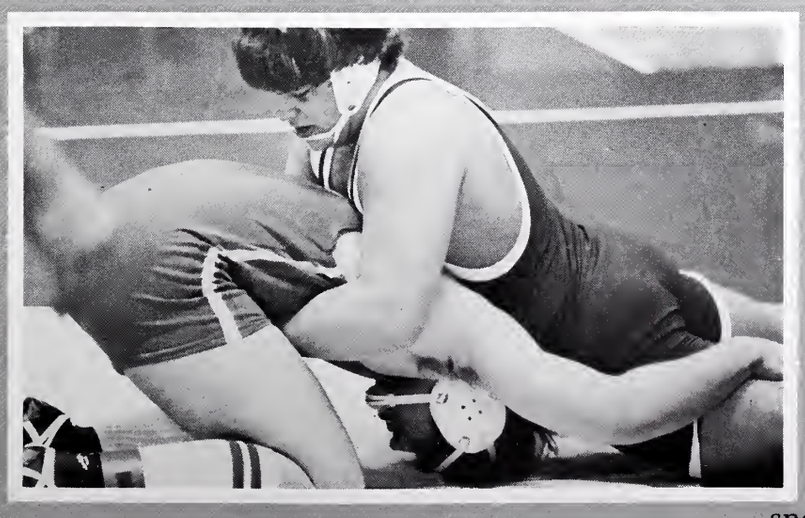
Wrestling is not the most publicized Millikin sport, but Coach Carl Poelker proved it is one of the strongest. The Big Blue wrestled its way to a 10-6 dual record and a third place finish in the conference due to the efforts of some very talented wrestlers. Millikin was led by senior Gary Reader who turned in a 23-2 individual record along with a first place conference finish and a trip to the NCAA division III tourney. Millikin had three other first place finishers in the conference meet with Mitchell, Fredrick and Dalluge all receiving NCAA bids. Reader was named most valuable wrestler at the winter sports banquet, with Dalluge receiving recognition for most pins and the most wins with a 26-4 record.











basketball

Coach Ramsey's Big Blue may have finished with an overall record of 13-13 but they were better than a .500 club. Millikin lost some tough games, including a 3-point decision to an Eastern Illinois team that finished third in the nation in the NCAA division II tourney. The Big Blue managed to pull some hot ones out of the fire with a tense 85-84 overtime victory over Illinois Wesleyan topping the list. The Big Blue were led by juniors Dave Pistorius and Rich Rames who shared the MVP award. Pistorius finished as Millikin's top scorer while Rames played outstanding defense and led the team in rebounds. Coach Ramsey will be glad to have these two returning along with the makings of a good club. Millikin will be losing only three players: guards Greg Finigan and Ben Beck, and forward Jimmie Jones. Next year promises to be a good year for Millikin basketball.

The Big Blue swim team did not have the best of luck in 1978, finishing with a 1-4 record. Coach Skip Green's squad, did, however, finish fifth in the conference meet, only 2 points out of third. The team is very young, with most of the swimmers returning next year. Millikin was led by the consistent swimming of John Britt, who accordingly was named most valuable swimmer on the team, and by the steady swimming of Steve Pilling.

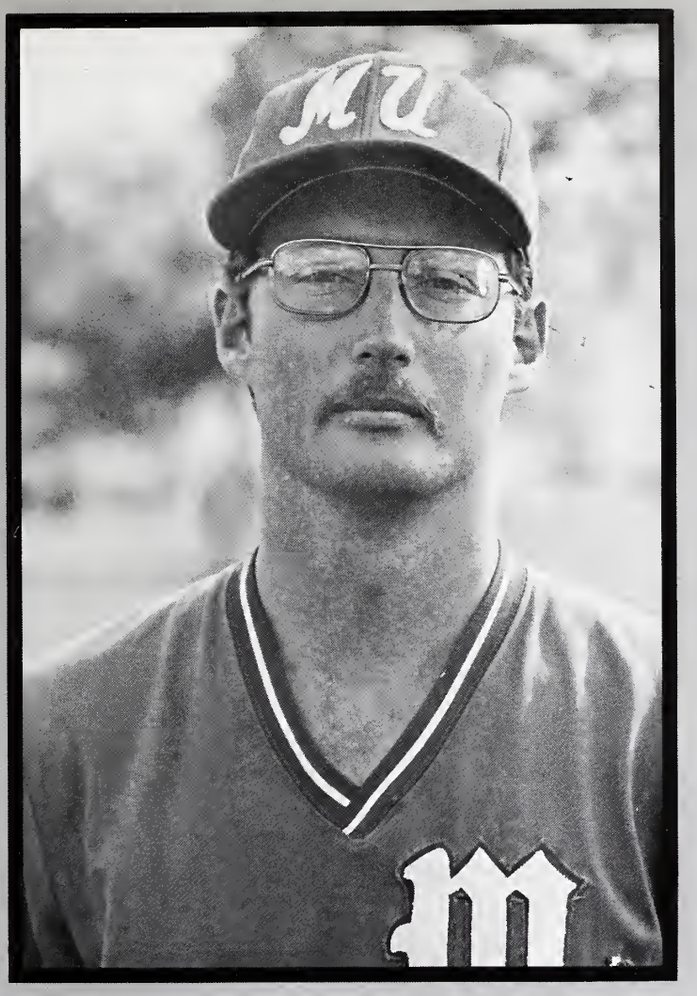
front row: M. Evangelista, J. Pagone, M. Overlot, Timmy the Mascot, S. Durham, B. Corban, M. Harrison. *second row:* S. Kovalcik, C. Veselits, R. Harvill, B. Edwards, B. Reed, D. Cutinello, B. Batek. *third row:* C. Kuldell, C. Bundy, S. Durbin, S. York, T. Currinder, M. Wooley, R. Huber, S. Danko, Coach Woods.



The selection of sophomore outfielder Mike Overlot as most valuable player on the baseball team may have been the most predictable element of the Big Blue's season. Overlot led the team in most hitting categories, including a .303 batting average for the entire season and a .354 mark in the CCIW. He led the Big Blue in hits (33), home runs (4), and runs batted in (16).

An honorable mention all-conference choice, Overlot also shared the lead in runs scored (17) with sophomore outfielder Bill Batek and senior catcher Britt Edwards. Team leader in doubles (8) and triples (2) was senior second baseman Craig Bundy.

Most effective of the pitchers was senior Jim Durbin, pitching collegiate baseball for the first time, who did not allow an earned run after Millikin returned from its season opening southern trip. Durbin had a 3.34 ERA for the season and a 0.00 mark to lead the CCIW. His 11 appearances was a team high.

Junior Bill Reed led the team in innings pitched (40) for the second successive season. Strike out leader was senior Rick Harvill, with 32 strike outs in 39 innings, while junior Tim Currinder fanned 31 in 36 innings.

Millikin rebounded from a disastrous season-opening southern trip, where it lost 18 games in 9 days, to finish with a 10-26 record overall and a 9-5 mark for 3rd place in the CCIW. The Big Blue set a team record with 18 home runs and senior outfielder-first baseman Steve Danko set three career records.

MILLIDEK CLASSIFIED DECATUR, ILLINOIS

Help Wanted

WANTED
College graduates seeking interesting, challenging careers which offer growth potential as well as opportunity to contribute to society. Millikin graduates now in business know the importance of ethics. That profit isn't the only motivating factor. That individuality can be maintained in a corporate structure. We want the opportunity to prove that "Business Is A Good Place To Work."

How about tomorrow?

The end of the fourth year – and, the end of many frustrations.

A lot of work goes into earning a diploma. It's something to be proud of.

It is also a symbol of a new beginning. The time for a new search. A search for a job or more education; a place to work and live.

Whatever you decide, you are about to enter a different universe.

If you decide to work for a company, choose one you can become a part of – a company whose corporate ideas of right and wrong, whose reputation in the community compliment you.

Choose a company whose products or services contribute to the betterment of mankind. One that will allow you to make the best of your own capabilities.

It's not easy to find the right place. But the search can be worth the effort.
